## In order to get our service:

1. Kindly let us know the date, time, hours, number of visitors in your group, the places to visit, transportation, budget and the language through our home page or by phone.
2. We will discuss the overall terms and conditions, transportation costs, fees to your guide and the method of payment.
3. We will then recommend a guide or candidate guides to you. Please discuss details of your intended trip to Fukushima with the designated guide(s) to finalize the term of your choice.
4. Kindly use the public transportation or a taxi or a chartered bus with us.
5. Basically 1 guide per 5 visitors. We'd like to discuss if there are more than 5 persons in your group to guide.
6. Let us further discuss when a drastic change in the initial plan occurs, overtime work is requested and etc., during your trip.
